**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had Comcast before and it frankly was the worst ISP in our area. They provided a mediocre service because they could. Ever since we have chosen Sonic, I have received the best speed with the best customer service. I would never go with either AT&T and Comcast.

My work is 100% from home so broadband is extremely important. My livelihood depends on good internet service. I was miserable with other providers and Sonic just made everything smooth with Fiber Broadband. It hasn't gone down a single day, whereas Comcast was down at least once a week and they didn't really care.

Yes to competition, No to Price Hikes
